

2024 Host Family Program

The High Point Rockers Host Family Program is an exciting opportunity to learn and share in the life of a minor league baseball player. Host families are **not** financially compensated, but the chance to experience the day to day life of a minor league ballplayer is an opportunity few people will ever have. You, as a host family, will be a big part of their success with the Rockers and in their career as a baseball player.

The High Point Rockers are looking for host families in the community to house one or more players for the 2024 season. Players will be in need of housing from Mid-April through the end of the season (early October).

Ideal Host Families:

- Commit to the entire season (April 15th-October 1st)
- Provide player(s) with his own room (although multiple players can share)
- Access to bathroom, kitchen and laundry
- Provide a clean, safe, and healthy home environment
- Host families must be very understanding of the player's hectic schedule

Host families have a large responsibility, but there are perks for taking on that responsibility. Mainly, you will become a member of the High Point Rockers family and at a vital piece in the success of the team.

To thank our host families:

- Tickets to select Rockers home games
- Host Family events including:
 - ☞ Player meet and greet
 - ☞ Designated night in Rockers Team Suite
 - ☞ End of season on-field recognition
- Complimentary parking at Rockers games
- Invitation to Rockers World Series viewing party
- Discounts in the team store

What to expect from your experience:

- Building a bond with a player that will last well beyond the final game of the season
- A mature and respectful individual who will represent the team, city and, by extension, their host family with the utmost class and professionalism that is also expected of them by the team
- The opportunity to make a positive impact on the future of a young man
- Player will often not be home
- Players will provide their own transportation
- Players will be arriving home late at night and or early in the morning after games
- Remember baseball is their passion. There will be good and bad days
- Players may have families and friends visit during the summer. It is up to the host family whether to allow visitors to stay in the home
- Host families must understand that player personnel changes can and do occur before and during the season, i.e., trades, injuries and releases which may impact player housing assignments

Thank you for your interest in being a host family!
